Manatee Runs Away From Specially Fit Academy

in 41-21 Senior Night Victory

by Isaiah Messer

The scoring kicked off early when Caedon White was able to take an outside run 36 yards for an early touchdown to take a quick 7-0 lead. After the Rams were able to capitalize on a fumble and score a touch-

The offensive explosion didn't end there, as Nolan Downes connect with Tavares Powell on a 68 yard bomb following a forced fumble on the kickoff and Caedon White punched in his third touchdown on the night to continue the rout.

The third quarter was a quiet quarter for the Hurricanes, as self inflicted wounds allowed for SFA to score two touchdowns to make the game closer. The Hurricanes

were able to throw the final daggers after Caedon White rushed for his fourth touchdown on the night, and a Loronce Papilion Brendon sack pushed the Rams back before Mikahi McDonald sealed the deal with an interception.

The Hurricanes move onto week 4 against Lake Brantley on the road this week hoping to build off the impressive performance in back-to-back weeks. Nolan Downes had another impressive outing with 281 passing yards on top of his 2 touchdowns, while Caedon White rushed for 175 yards and 4 touchdowns. Mikahi McDonald also is showing great flashes early into his sophomore year reeling in his second interception on the season.

JV Offense Flashes Big Play Potential in Battle With Rams

by John Johnson, Jr

The JV football team put its big-play ability on display in a hard-fought match-up against the Rams, producing several explosive touchdowns through the air and showing flashes of what the group can become as the season progresses.

Quarterback Mason Moss helped spark the offense with a pair of touchdown passes. Moss first connected with David Evans in the back of the end zone for a score, delivering a well-placed ball that allowed Evans to finish the play

and put points on the board.

Moss later went back to the air and gave Sam Shuler an opportunity to make a play on a 50/50 ball. Shuler answered the challenge, battling through coverage and coming down with the football for another touchdown.

The offense added another explosive moment when quarterback Aiden Roger's connected with Damari Brown for an 80-yard touchdown. Brown turned the long completion into one of the biggest plays of the game, showing his speed and playmaking ability in the open field.

While the passing game provided several highlights, the defense also had strong moments throughout the contest.

One of the bright spots up front was Ramses Carmona, who played well along the defensive line. Carmona consistently competed at the point of attack and provided a strong presence in the trenches, helping disrupt the Rams' offense

and giving the defensive unit quality snaps throughout the game.

Overall, the defense played well in stretches and showed its ability to create difficult situations for the Rams. However, the unit was unable to consistently get the stops it needed, and the Rams eventually made enough plays offensively to take control of the game.

Despite the outcome, the JV team showed plenty of encouraging signs. Multiple quarterbacks produced touchdown throws, several receivers stepped up with big catches, and the defense displayed promising individual performances.

For a developing JV squad, the game offered both confidence and lessons. The offensive explosiveness is already there. The next step will be finding greater consistency on both sides of the football and turning those flashes into a complete four-quarter performance.
